DATE: June 11, 2015 TO: STA PAC

RE: PAC By-Laws Revision

#### **Background:**

The Solano Transportation Authority (STA) Trails Advisory Committee was created in 2002 to advise the STA and the County of Solano during the creation of the 2002 Countywide Trails Plan. The Trails Advisory Committee was absorbed by the Pedestrian Advisory Committee (PAC) in 2004, and the Countywide Trails Plan was subsequently replaced by the Countywide Pedestrian Transportation Plan in 2004.

The PAC formed with six additional special-interest organizations not included on the Bicycle Advisory Committee (BAC): the Bay Area Ridge Trail Council; the San Francisco Bay Trail; the Solano Community College; the Solano County Agriculture Commission; the Solano Land Trust; and the Tri City and County Cooperative Planning Group (later changed to Solano Open Space). There are currently vacancies in all but one of these positions (Solano Community College), with one pending appointment to the Bay Area Ridge Trail Council.

Three organizations (San Francisco Bay Trail, Solano County Agriculture Commission/Solano County Agricultural Advisory Committee, and the Solano Land Trust) in 2014 requested to be removed from the STA PAC. Additionally, the Tri City and County Cooperative Planning Group has not been known to meet more recently than 2012.

#### **Discussion:**

STA staff proposes to revise the PAC by-laws to eliminate all six special-interest seats, maintain the one existing member-at-large, and add two additional members-at-large, changing the total membership from 15 member seats to 11 member seats. The currently appointed and pending special-interest members may assume the two new member-at-large positions if they so choose.

#### **Fiscal Impact:**

None.

#### **Recommendation:**

Recommend to the STA Board to approve the PAC by-laws revision.

#### **Attachments**:

A. DRAFT PAC bylaws update April 2015
